

Mr. Jeppesen's Requirements for Country Reports

The following need to be done for your 4th term country report:

- 1- The written report must be at least 2-3 typed pages in length.
- 2- At least 4 graphics must be included in your report. (Maps, pictures, graphs, photos, etc.)
- 3- You must use at least 3 different sources in your report. (Internet, books, magazines, personal interviews, slides, computers, etc.)
- 4- You may use a poster board to display your project.
- 5- You will be required to give your report in front of the class. Please practice giving your report at home so you feel comfortable giving them out loud. Do not get up and read the entire report to us, use a few note cards and TELL us what you learned about your country.
- 6- Please inform Mr. Jeppesen if you need special equipment for your presentation to the class. (slide projectors, video, etc.) Let us know if you plan on bringing a food item to share with the class.
- 7- Please do not print off a report from the internet and read it to us. I want to know what you did to prepare the report. Gather all of your information First, and put it all together to form your report.
- 8- You will be evaluated in the following areas of your report:
 - a. Preparation: How well were you prepared?
Were you ready to give your report?
 - b. Covered the material
 - c. Presentation
 - d. What did you learn
